Nature fram'd thee sure for loving thus a... dorn'd with a'ry
Grace Venus self thy form aft' proving looks with pleasure
with pleasure looks with pleasure on thy Face looks
with Plea... sure on thy Face

Happy Nymph who shall enfold thee,
 Cycled in her yielding Arms;
 Spoud bright Helen once behold thee,
 She'd surrender all her Charms.
 Gentle Shepher'd if my pleading,
 Can from thee thy Prize obtain,
 Love himself thy Conquest aiding,
 Thou that matchless Fair shall gain.
